

Additional Home Learning opportunities – Year 5

Please see the class pages on the website for learning activities on Wednesday and Thursday. Here are some additional things linked directly to our current learning should you wish to complete them.

- Maths Game: Estimating Angles – Banana Hunt
<https://www.primarygames.co.uk/games/banana-hunt.html>
- Maths: Video Lesson – Angles in Triangles
<https://www.thenational.academy/teachers/programmes/maths-primary-ks2/units/angles-compare-name-estimate-and-measure-angles/lessons/angles-in-triangles#video>
- English: Video lesson – Features of journalistic writing
[Identifying the features of a journalistic report in preparation for writing about the Titanic KS2 | Y5 English | Lesson Resources | Oak National Academy](#)
- Science: We will be completing an investigation similar to this so if you would like to get a head start watch this online lesson.
<https://www.thenational.academy/teachers/programmes/science-primary-ks2/units/forces-including-simple-machines/lessons/friction-plan#video>

Take this opportunity to get your homework done:

Maths Foundation: Angle rules – Pg 60 & 61 Target: Angle Rules– Pg 68 & 69 Stretch: Angle Rules – Pg 60 & 61	English - SPaG Foundation – Prefixes – Pg 78 & 79 Target - Prefixes – Pg 68 & 69 Stretch - Suffixes- 'shus' & 'shul' –Pg 78 & 79
---	---

Spend a little time on TTRS practising your tables, not forgetting your spellings – use an old squeeze bottle to write your spellings outside in water!

Create an 'Iced Mocktail' for your parents to enjoy in the sun – you could share photos or drawings of your creation – don't forget to provide a recipe too! (This could be added to Civic 1b – learning a skill)
