Travelling Alone Request Form 2026 - 2027

This form must be completed if your child will leave the school site alone at the end of the school day.

Please confirm the following by signing below:

- I have discussed with my child the best route for them to walk or cycle; from home at the start of the school day, to home at the end of the school day.
- A responsible adult will be at home to greet my child when they return home from school at the end of the day.
- I understand that my child needs to behave appropriately when travelling to and from school and that:
 - they should not do anything intentionally that could put them or others in the risk of harm;
 - they should not exhibit behaviour that will impact on the reputation of the school
- I understand that the responsibility for my child's safety on their journey to and from school rests with me.
- I understand that if the school is concerned about the safety and/or behaviour of my child on their journey to and from school, then I could be required to bring and collect them to and from school.

Before signing this request form, please discuss the above points with your child and make sure that they fully understand them.

Travelling to and from school alone is an important milestone on a child's road to independence, and it is important that we work together to keep children safe. Thank you for your support.
