

What's the attraction? Homework Menu Autumn Term 2

Please email photographs of your work/presentations or bring your work in to share with everyone on the decking before the final week of the half term.

We would love to celebrate your hard work. ☺

DT/ PSHE (My Activity Passport) Design and make a board game that uses magnets. (e.g magnetic fishing rods) 	MATHS/ SCIENCE Gather a selection of household items. Predict, then test whether these objects will be attracted to a magnet. Present your findings in a table. (e.g. scissors, paper clips, pencil, pens, marble, stapler, saucepan, different coins, and your own ideas) 	ENGLISH Research and create a chronological report on the history of the magnetic compass. 
ONLINE SAFETY Design a poster outlining rules about how to behave online and how you follow them.	COMPUTING Make a PowerPoint presentation to show how magnets are used in everyday life and include images. (e.g. in hospitals, in technology, in scrap yards, for jewellery)	SCHOOL VALUE: FRIENDSHIP Draw a cartoon strip of a situation where somebody showed kindness and friendship in a tricky situation.
Article 15 (freedom of association) Every child has the right to meet with other children and to join groups and organisations, as long as this does not stop other people from enjoying their rights. What communities do you belong to? Draw a poster.
