

We are what we eat ...

Homework Menu – Spring Term 1

Please email photographs of your work/presentations or bring your work in to share with everyone on the decking before the final week of the half term.

We would love to celebrate your hard work. ☺

English: Write out your favourite recipe. Write an explanation about the benefits of a healthy lifestyle.	Computing: Research ten vegetables which can be grown in the British climate and explain when they should be planted and harvested.	Geography: Research where bananas are grown and work out how far they travel to our supermarket. Record your findings on a world map.
Science/ Maths: Find out how many bones different animals have and compare them to humans. Why might different animals have differing amounts of bones?	Online Safety: Write about how you can have safe relationships online.	Art: Design a piece of art using food as a medium. 
D&T: Design and cook a healthy, balanced meal for your family. Think about what it would need to include. 		SCHOOL VALUE - COURAGE Explain what courage is and why it is an important value to have.  How has it helped you or someone you know?
