

Revealing the Romans

Homework Menu Autumn Term 1

Please email photographs of your work/presentations or bring your work in to share with everyone before the final week of the half term.

woodpecker@parkfieldschool.co.uk kingfisher@parkfieldschool.co.uk

Please complete at least two of the activities.

Rights Respecting Schools: Article: Article 29 (goals of education) Education must develop every child's personality, talents and abilities to the full. Think about a subject you love and your goals for this year. 	Fizzy Science- with an adult! Activity: Mix baking soda and vinegar in a clear container. Watch the bubbles form and inflate a balloon over the opening. Learning Point: A chemical reaction produces carbon dioxide gas. Discuss how gases can be trapped and measured.	Maths: Create a poster explaining how to use Roman numerals. Give examples and set a few challenges too. Maths: 
Activity Passport When you are next out and about have a go at skimming a stone over water. How many bounces can you achieve? 	'Revealing the Romans' Autumn Term 1 	Art: Create a mosaic using materials of your choice. (paper squares, beads, fabric or even actual mini-tiles!) 
Visit an online museum: Can you find 10 fun facts about the Romans? These websites might help you! https://cadw.gov.wales/more-about-caerleon http://www.primaryhomeworkhelp.co.uk/Romans.html	Values – Resilience Create a help sheet giving advice about how to be more resilient. (keep trying, take time away, learn from mistakes, ask for help, stay calm, see the funny side etc)	Online Safety: Record 5 ways in which you can keep your identity safe whilst online. This links to Article 16 'You have the right to privacy.'
