

Light and Dark Homework Menu

Autumn Term 2

Please complete a minimum of two tasks and bring your learning into school or send photographs of your learning via tapestry or the class email before the final week of the half term.

robin@parkfieldschool.co.uk

wren@parkfieldschool.co.uk

Communication and Language: Learn a poem/nursery rhyme and perform to your family (please record and place on Tapestry if possible). 	PSED: We will be learning about our feelings and how we can understand how others are feeling by their facial expressions and body language. Play feeling charades, choose a feeling and act it out, can your family or friends guess what feeling you are showing?	Understanding the World: We will be learning about toys then and now. Ask you parents and grandparents what toys and games they played with when they were younger. Maybe they have photos (or even the old toys) you could look at. How are the toys similar or different to the toys you play with now? 
Expressive Art and Design: We will be learning about Jackson Pollock's drip painting. Have a go at doing your own drip painting at home. 	Maths: We will be learning all about 3D shapes. Have a shape hunt around the house and see what 3D shapes you can spot e.g. a cyclinder kitchen roll or a cube shaped box. Take photos or draw pictures of the shapes you find. 	Computing: Can you name different technology that you have in your house? Always remember to ask an adult before you use technology.
Activity passport: Have a teddy bears picnic or choose an activity that you have not completed from the Activity Passport. 	School Value: Our school value this term is friendship. Think about what it means to be a good friend and discuss it with an adult. Draw a picture of a time when someone has been a good friend to you. 	Rights Respecting Schools: Article 28 You have the right to an education. Draw a picture of your favourite thing to do or learn at school 

Parkfield School

Parkfield Road, Taunton, Somerset, TA1 4RT

Headteacher: Mr Gareth Jones
