

## Parkfield Primary School Eco Code

- We will Reduce, Reuse and Recycle as much as possible.
- Every class will have a scrap paper drawer and a recycling bin.
- Our school staff will print and photocopy as little as possible.
- We will always turn off taps so we do not waste water.
- All our computer equipment will switch to energy saving mode when not in use.
- We will turn off classroom lights and interactive whiteboards when not in use.
- When possible, we will shut outside doors when the heating is on.
- We will always put our litter in the bins provided, and if we see litter someone else has dropped we will pick it up.
- We will try to waste less food by eating our lunches, all leftovers will be sent to make compost.
- We will all work together to look after the environment.
