Our Eco
Committee
Review

ECO-SCHOOLS ENVIRONMENTAL REVIEW PRIMARY 2021-2022

COMPLETED BY:

(Name and Year Group)

Felix Year 1, Ella Year 1, Adn Year 2,
Georgia Year 2, Finley Year 3, Ade Year 3,
Oscar Year 4, Rebecca Year 4, Ethan Year 5,
Lexie Year 5, Eva Year 6, Evelyn Year 6
Mrs Scott and Mrs Parsley.

Welcome to this year's Eco-Schools Environmental Review, before beginning here is a little bit of guidance:

- To calculate your score for each topic, simply count the number of yes answers you have for the topic.
- If you do not know the answer to a question, or are unable to find an answer, simply leave the question blank. This will not affect your Eco-Schools Green Flag application.
- This year we have included space for an 'Optional additional question' in each topic. You do not have to add your own question, but you can if your Eco-Committee want to investigate a question they have that isn't currently on the Environmental Review.
- The symbols on the left (such as a magnifying glass) signify the type of question being asked.
- Underneath many of the questions is a different topic symbol or symbols. This shows that these questions have a significant crossover with another topic or topics.
- We have included a fact for each topic to highlight some of the challenges our planet faces.
- Finally, if you score a low score on any of the topics, or overall, please do not worry. This is why you are working on the Eco-Schools programme, to improve your school's environmental performance!

Good Luck!

www.eco-schools.org.uk

BIODIVERSITY

YES

NO

Does your school have a bug hotel, log pile, rock pile or leaf piles to encourage insect life?

☒☐

Does your school have bird houses, bat boxes or hedgehog homes?

☒☐

Does your school have bird (or other) animal feeders and are they checked regularly to make sure there is always food for birds (or other animals) to eat?

☒☐

Does your school have any meadow, wildflower or rewilding areas to increase biodiversity in school?

☒☐

Does your school have a pond or mini-pond(s)?

☐☒

But we do have a stream in our school grounds (Galmington Stream)

One out of every three mouthfuls of our food depends on pollinators like bees.

Do pupils in your school ever observe and record nature inside or outside your School Grounds (this might be as part of a charity scheme such as RSPB's Big Garden Birdwatch)?

YES

☐

NO

☒

We did not do this in 2022 but we are planning to do this in 2023

Does your school ever fundraise for endangered animals or conservation projects?

☒
☐

We had a stall at the Summer Fair.

☒

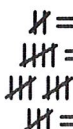

Approach 5 schoolmates or members of staff, can all five name an animal that is endangered, vulnerable or threatened?

☒
☐

Find a teacher in your school (not the Eco-Coordinator), have they taught a lesson about deforestation, land-use, endangered animals or any other threat to biodiversity in the last twelve months?

☒
☐

Year 4 STEM - leaflet about endangered animals.

☒

Survey a class in your school, have more than half of the selected class planted a seed and helped it grow in their lifetimes?

☒
☐

Broad Bean Year 3.

Optional additional question:

☐
☐

COMMENTS:

SCORE

ENERGY

	YES	NO
 Does your school have energy monitors, who check lights and other electronic devices are switched off when not in use? <u>Previously we appointed one for each class</u> <u>We need to check everyone is doing what is need</u>	☒	☐
 Have pupils in your school ever taken responsibility for identifying the light switch, or electronic device, which is most commonly left on when not in use? <u>Energy monitors</u>	☒	☐
 Does your school have any renewable sources (solar panels, wind turbine, heat pump, biomass heating) or if not does your school purchase energy from a renewable energy supplier? <u>Solar panels</u>	☒	☐
 Does your school have either motion-sensor lights (that switch off when not in use), or draught strips on windows and doors? <u>We have installed motion sensor lights</u> <u>in the toilets</u>	☒	☐
 Does your school ever include energy-saving tips in its e-newsletters so parents and pupils can save energy at home? <u>We have a regular section in the newsletter</u> <u>The Eco Committee are doing their own home review</u>	☒	☐
 In the last twelve months, has your school planned an energy-free day, energy-saving week or something similar?	☐	☒

The Sun could provide us with a year's worth of energy in just one hour (if we could harness it all).

Approach 5 schoolmates or members of staff, can all five tell you a way they try to save energy at home?

YES

NO

☒☐

?

Find a teacher in your school (not the Eco-Coordinator), have they taught any lessons about energy in the last twelve months?

Year 2 Saving Energy

☒☐

?

Find your school's site manager, does your school have a smart meter and are you allowed to look at it?

While it is not a smart meter we installed separate meters for the kitchen so

We can track our consumption.

☒☐

Visit three empty classrooms during break, lunch or assembly time (when they are empty) are the lights and interactive board switched off in every classroom?

☒☐

Optional additional question:

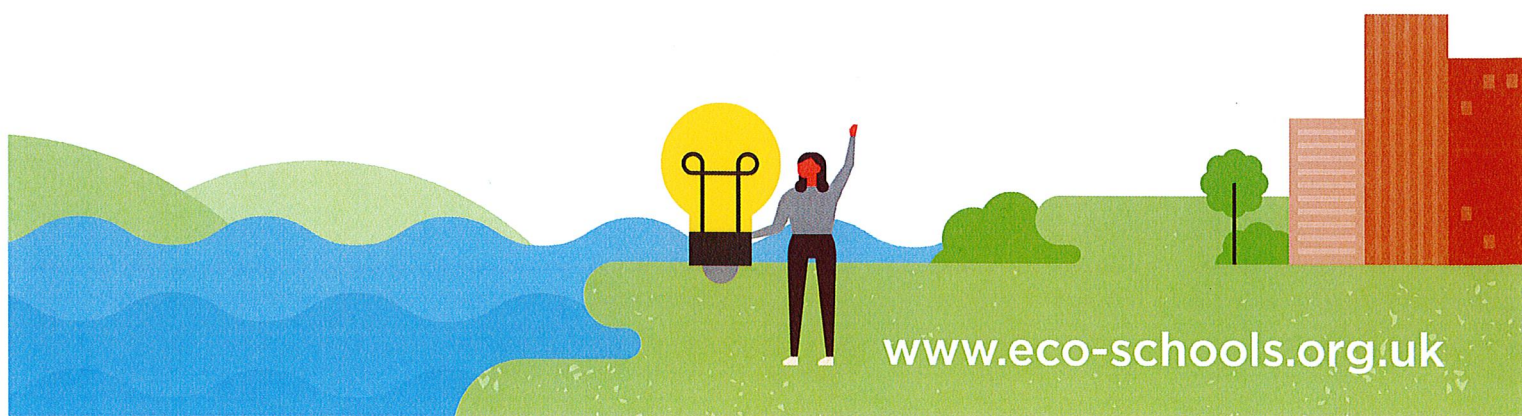

☐☐

COMMENTS:

TOTAL
SCORE

9

We changed all our lights to LED lights in the summer break 2021. Our energy consumption should fall.

GLOBAL CITIZENSHIP

YES

NO

Has your school raised money for a charity or cause in the last twelve months?

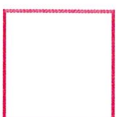

Comic Relief, Air Ambulance, Sports Aid
Barnardos WWF

Was any of this money raised for environmental, wildlife or animal welfare charities?

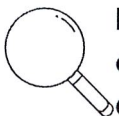

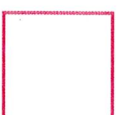

WWF Adopt 2 animals
Funds raised for additional nesting boxes

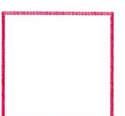

Has your school collected for a local foodbank, or supported a local charity or organisation in any other way in the last twelve months?

Harvest Festival.

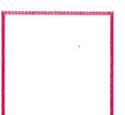

Have pupils in your school taken responsibility for planning and organising a charity fundraising event, or chosen which charity (or charities) your school will support in the last twelve months?

Year 5 complete this as part of their Civic Award.

Does your school celebrate different cultures and religions (e.g. do you try different food types, celebrate different religious/cultural holidays or participate in events like Black History Month)?

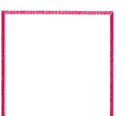

We have a faith week where the whole school looks at different faiths.

Has your school hosted a Fair Trade Bake Sale (or a similar event) in the last twelve months?

The staff regularly have cake sales for the Women's Refuge. Our PTA sell iced lollies for their funds.

24 million people were displaced from their homes due to natural hazards in 2016, most were linked to disasters made worse by climate change.

YES

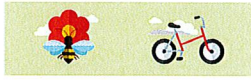

NO

- 
☒ Approach three different members of teaching staff (not the
☐ Eco-Coordinator) can any of them name one of the Sustainable
☐ development goals?

☒
☐

?

Speak to staff members in the school canteen, do they use any Fair Trade food items or local, seasonal produce?

☒
☐

Our caterers Cleverchefs use seasonal & locally sourced produce.

With permission and Eco-Coordinator supervision (ask the Eco-Coordinator to do this on your behalf if you're not allowed), check the tea and coffee in the staff room, are either of them Fair Trade?

☒
☐

This was not the case but Eco Committee members met with Mr Jones and Fair Trade tea and coffee will be purchased where possible

H=

HH=

HHH=

HHH=

Survey a class in your school, can any of the pupils tell you about an environmental story they have read or seen in the news in the last week?

☒
☐

Year 3 classes watch news round every day.

Optional additional question:

☐
☐

HEALTHY LIVING

YES

NO

Does your school grow its own fruit, vegetables and herbs?

We ^{will} have a herb garden in the summer term

☒☐

Does your school menu have plant-based options every day and are these options as appealing as meat-based options?

☒☐

Does your school regularly have meat-free days, or does it have termly meat-free weeks?

No, but this is something that will be discussed with our caterers

☒☒

Do pupils in your school work with your school's canteen staff to help plan healthy, new menu items?

Feedback from children and

staff is considered when menus are produced

☒☐

Does your school include tasty and healthy recipe ideas (including plant-based recipes) in your e-newsletter for pupils and their families to cook at home?

We run Holiday and Activity Food Programme camps and healthy living ^{education} is a part of our grant condition.

☒☐

We could cut land used for farming by 75% if we stopped meat and dairy production.

Does your school have a sensory garden, or other natural area, that helps pupils to feel calm and relaxed?

YES

NO

☒
☐

We have planted some thymes for scent and buddleia shrubs to attract butterflies

Does your Eco-Committee have a suggestion box, so they can address environmental concerns and combat eco-anxiety?

☐
☒

We will do this for 2022/2023

Does your school discuss mental health issues and provide strategies and exercises to cope with them?

☒
☐

We all followed 4 weeks of mindfulness as a school.

Do pupils in your school have the opportunity to participate in daily exercises (outside PE lessons)?

☒
☐

plus after school sports clubs

Year 5 have swimming lessons

H=
HH=
HHH=
HHH=

Choose a class to survey, do more than half of the class have a reusable water bottle in school with them at the time of survey?

☒
☐

Optional additional question:

☐
☐

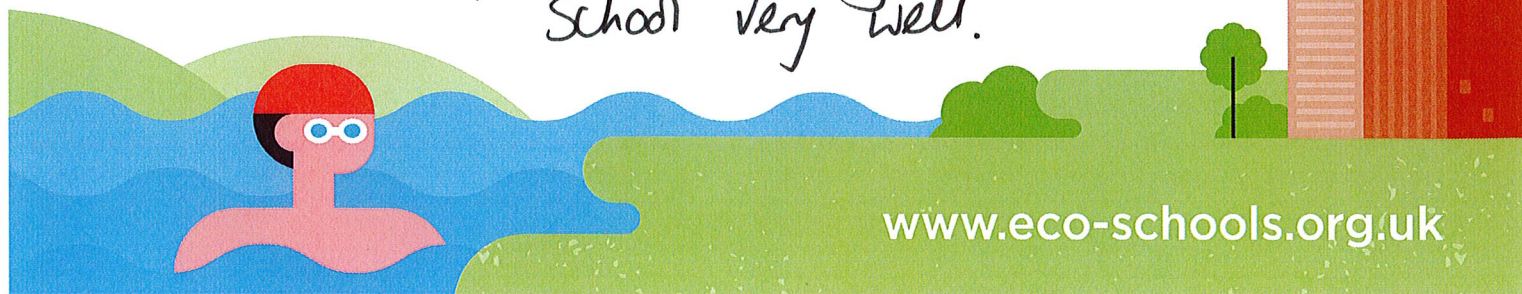

COMMENTS:

TOTAL
SCORE

We have a whole school healthy living week.

Classes are visited by dentists.

Although our score is 8/10 we think that we promote healthy living in the School very well.

LITTER

Does your school have access to litter-picking equipment?

YES

☒

NO

☐

Have pupils from your school litter-picked in your school grounds in the last twelve months?

☒☐

Year 4 regularly pick up litter
We took part in the Great School Spring Clean

Have pupils from your school litter-picked in your local community in the last twelve months?

☒☒

As a school we have not litter
picked in the community
Staff + Children pick up litter that they see
on their way into school.

Have members of your school community (e.g. families, businesses, nearby schools, council members etc.) been invited to participate in a litter-pick organised by your school in the last twelve months?

☐☒

Did your school participate on Keep Britain Tidy's Great Big School Clean during the last academic year?

☒☐

Over 70,000 pets and wild animals are hurt in Britain every year because of litter.

Look at your school grounds for a few minutes, are they entirely free of litter (make sure to also look at the school perimeters)?

YES

☒

NO

☒

Does your school have enough bins inside and outside the school building and are they emptied regularly (they don't overflow)?

☒☐

In the last twelve months, have pupils in your school written to your head teacher, local council, MP, pupil's families or nearby businesses about litter-related issues?

☐☒

Have pupils in your school created anti-litter posters and signs or delivered an anti-litter assembly in the past twelve months?

☐☒

Approach three schoolmates or members of staff and ask them, "Why is litter bad?" Did any of them mention one (or more) of the following reasons: it harms wildlife, costs a lot of money to clean up or it can pose a threat to humans?

☒☐

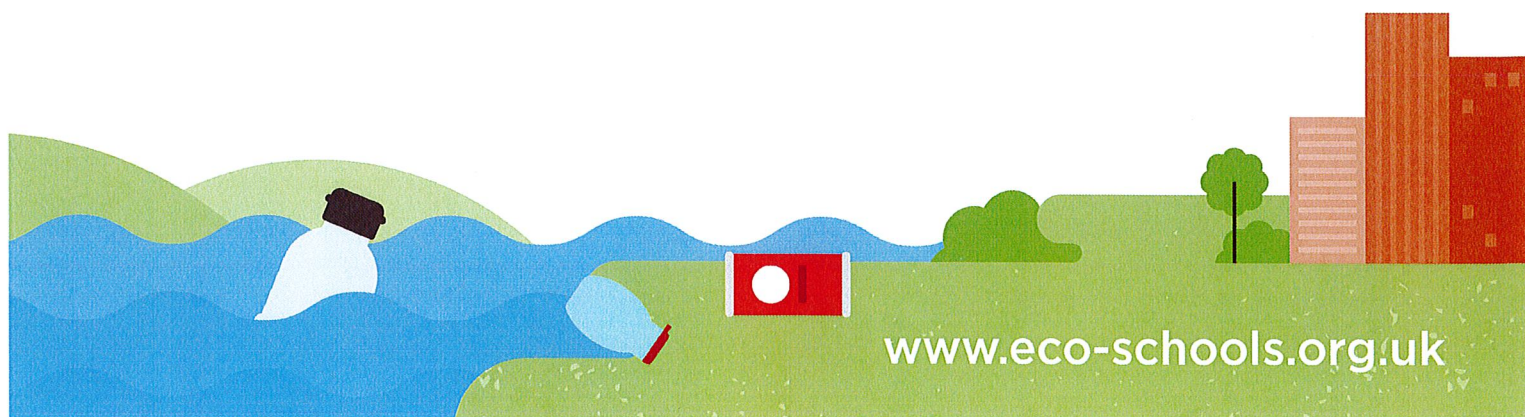

Optional additional question:

☐☐

SCORE

6/10

MARINE

Has your school placed a ban on balloon releases and glitter?

We no longer use glitter.

YES

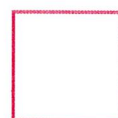

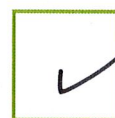

NO

Has your school placed a ban on any other types of single-use plastics?

We do not use single use cutlery.

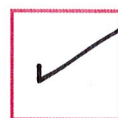

Over the past twelve months, has your school made an effort to reduce its use of any other type of single-use plastic it is unable to ban entirely?

Year 3 classes no longer laminate.

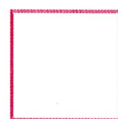

Has your school organised and completed a beach river or canal clean in the last twelve months?

In the past twelve months, has your school planned any events to raise funds for, or awareness of, marine life conservation?

Reception classes study marine life
Year 3 guided reading covered turtle conservation!
Year 3 have sponsored a turtle.

Every year 8 million tonnes of plastic end up in the oceans, that's the equivalent of one rubbish truck every minute.

Has your school created mural or sculptural artworks, to highlight how single-use plastics can harm marine life?

YES

NO

☒☒

Our gates are covered with old plastic bottles

cut and painted red to look like popples in November.

?

Speak to staff members from your school canteen, does your school have a policy on only using sustainable fish?

☒☐

Our caterers only use sustainable fish.

?

Speak to your school's Art Subject Leader, have they stopped the purchase of single-use plastics to be used in art lessons?

☒☒

This has been reduced.

?

Speak to a member of your school's site team, do they only use environmentally-friendly cleaning products in your school?

☒☐

Our cleaning contractors only use environmentally friendly products.

?

Find a teacher in your school (not the Eco-Coordinator), have they taught any lessons about marine environments or marine life in the past twelve months?

☒☐

Year 3 and Reception.

Optional additional question:

☐☐

COMMENTS:

TOTAL
SCORE

We need to try to do a beach clean. Is this something the Year 6 children could do when they are in Pembrokeshire?

SCHOOL GROUNDS

Does each classroom in your school have an indoor plant that pupils take responsibility for looking after?

YES

NO

This is something that we are putting in place for September 2023

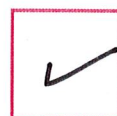

In the last twelve months, have pupils been responsible for introducing or looking after outdoor plants in your school grounds?

Year 3 planted the colourful (Red/White/Blue jubilee colours) plant trough at the front of the school

Are any of these plants (inside or outside) planted in recycled containers?

We will make sure all containers purchased for the class plants are recyclable.

Has your school planted any trees in the last twelve months (this might in your school grounds, in your local community, or even by donating to a charity who plants trees nationally or globally)?

Does your school have an outdoor learning area?

It takes around 100 years to create just 1mm of topsoil.

Does your school have a green roof?

YES

☐

NO

☒

Does your school have a gardening club, or does it offer gardening lessons?

Mrs Parsley gardens with children where possible.
Reception children garden.

☒☐

Are pupils allowed to play outside everyday (even when it is cold or slightly raining)?

☒☐

Do pupils have an opportunity to suggest improvements to their school grounds?

☒☐

- ☒ Approach three teachers (not including the Eco-Coordinator), have all three taught a lesson outside in the past twelve months (apart from PE lessons)?

☒☐

Optional additional question:

TRANSPORT

Does your school have a safe, dry space to store bicycles and scooters?

YES

☒

NO

☐

Our space is safe but it is not covered.

In the past twelve months, has your school participated in a walk to school week or any other similar campaign?

☒☐

16th May 2022

Does your school have a park 'n' stride scheme for pupils who live far away?

☐☒

Does your school have a walking bus scheme?

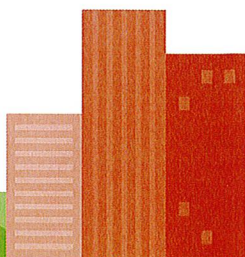

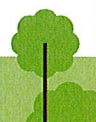

☐☒

Does your school have a car-sharing scheme for staff?

☐☒

Car sharing is encouraged for courses
✓ car sharing to + from school
does take place

There are now more than 1 billion combustion engine cars on the road.

Does your school have a hedge, trees or other vegetation around its boundary to prevent air pollution in your school grounds?

YES

NO

☒
☐

Does your school provide safety training for cycling and walking to school?

☒
☐

Bikeability courses for Year 6 children.

Is the area around your school safe when you arrive and leave school, for example do you have a pedestrian crossing, lollipop, slower speed limit, yellow zig-zags etc.?

☒
☐

WE are also having flashing lights installed for our zebra crossing

H =

HH =

SCORE

6/10

This is an area to consider but we are not sure we can have much impact here.

WASTE

YES

NO

Are pupils actively involved in recycling your school's waste, for example they might help the site manager empty the school's recycling bins or create signs signalling how to recycle correctly?

☒☐

Does your school recycle any difficult-to-recycle items like batteries or crisp packets?

☒☐

Is your school's food waste composted and when possible is this compost used in the school grounds?

☒☒

Not composted on school grounds but goes to make Compost

Are recycling tips ever shared in school assemblies or in school newsletters to help pupils and their families recycle at home?

☒☐

In the newsletter and in assembly

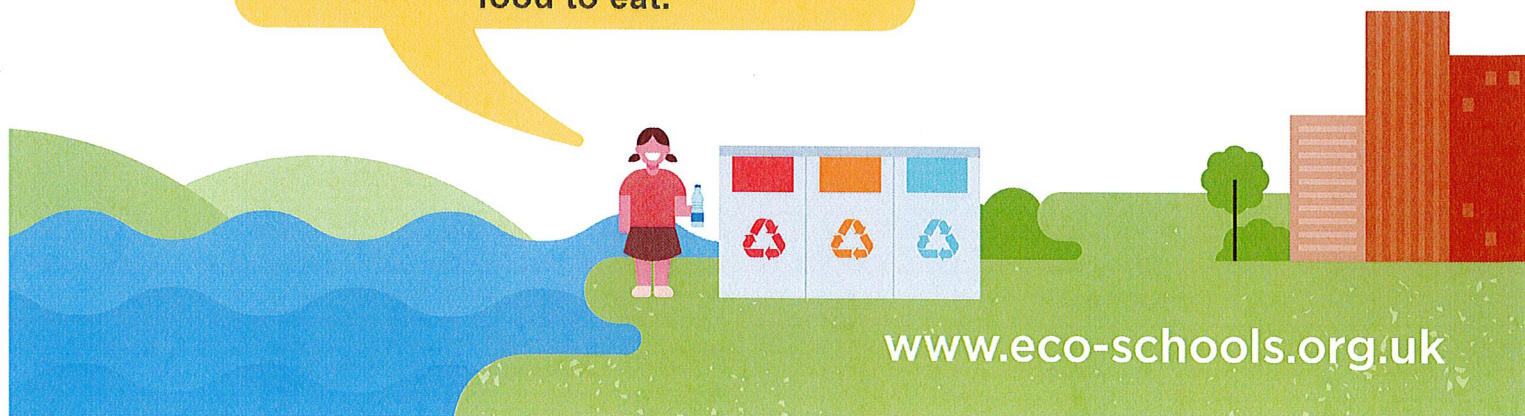

In the past twelve months, has your school organised a second-hand clothes sale (this might include a school uniform swap)?

☒☐

Parents can order pre-loved uniform a store is kept.

30% to 40% of the food produced in the world is never eaten, yet an estimated 831 million people don't have enough food to eat.

YES NO

Does your school have any permanent swap shops, or have you had a swap shop event in the last twelve months (this might include books, toys or stationary)?

☒
☐

We have book and toy stalls at our school's Summer and Christmas Fairs

Do you know who is responsible for collecting your school's food waste?

☒
☐

Kier.

In the past twelve months, have pupils worked with the school canteen to identify ways to reduce food waste in your school?

☒
☐

Staff help and encourage children to try new food

Approach 3 schoolmates or members of staff, can any of them name the 5r's (refuse, reduce, reuse, repair, recycle)?

☒
☐

Speak to your school's site or office manager, does your school recycle old, or broken electronic waste?

☒
☐

IT Waste is recycled

WATER

Does your school have a water-butt?

YES

NO

Does your school have any of the following water-saving devices:
reduced flush toilets, water hippos, tap inserts, flush controls,
self-closing taps?

We could have more taps that self close.

In the past has your school been in touch with your water supplier to
visit their sites, or invite them to deliver an assembly or online session
in your school?

No this is something we would like to do

Does your school include water-saving tips in e-newsletters or other
communications so pupils and families can save water at home?

We put notes in our newsletters

In the past 12 months, has your school ever fundraised for
water-based charities like Water Aid?

We would like to do this.

Every year 5 trillion litres of water are used to dye fabric for our clothing. This is enough to fill two million Olympic-sized swimming pools.

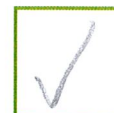

Have pupils (or your school's site manager) checked your school site for water leaks in the last twelve months and have any identified leaks been fixed?

YES

NO

2 weekly checks

☒ Approach three schoolmates or members of staff, can all of them

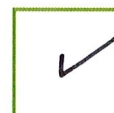

☐ name the 3 p's (pee, poo & toilet paper) that are the only items that

☐ should ever be flushed down a toilet?

Speak to a member of your school's canteen staff, do they dispose of cooking fats responsibly?

We do not deep fry.

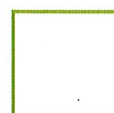

Find your school's site manager, will they agree to show you your school's water meter?

Find a teacher (not the Eco-Coordinator) have they taught any lessons about the Water Cycle, water use or volume and capacity (relating to water) in the last twelve months?

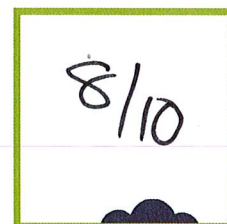

Optional additional question:

THINGS WE ARE DOING WELL:

Biodiversity however

Energy

Global Citizenship

Healthy ~~eating~~ living

Marine

School Grounds

Waste.

THINGS WE COULD IMPROVE:

Biodiversity we think that we could still improve this is something our Eco Committee are very passionate about.

Healthy living we like the Eco Concerns box.

Litter there are several things we could do to improve. Especially in our community.

Transport we could improve this and this is something that we will monitor + consider closely in our next review

Water we need to try and save water + fund raise. - we need to approach Wesser Vale.

ANYTHING ELSE:

Our 3 topics are

Biodiversity

Litter

Water.
