

Action Plan 2019 - 2021

Eco-Schools Topic:
Water

Aim:

To use water wisely

Action(s):

1. Consider if we can replace some taps with water saving taps
2. Save water for use in the garden
3. Set up a team to monitor how much water we use

How long will it take?

Academic year

Who is responsible?

The Eco-Committee

How we will monitor progress:

Eco-Committee meetings – report from Mrs Scott on how much water we use

Evaluation:

Reduction in water used in school

Eco-Schools Topic:

Biodiversity

Aim:

To encourage plants and animals to thrive in our school environment

Action(s):

1. Encourage animals by providing habitats and food
2. Grow more plants including trees
3. Take part in research and counts to monitor biodiversity

How long will it take?

Academic year

Who is responsible?

The Eco-Committee

How we will monitor progress:

Eco-Committee meetings

Evaluation:

Increased Biodiversity in the school – take part in Big Bird Watch year on year comparisons

Eco-Schools Topic:

Litter

Aim:

To have a litter free school and local environment

Action(s):

1. Set up a litter picking team
2. Encourage everyone to use litter bins
3. Encourage everyone to clean up after themselves

How long will it take?

Academic year

Who is responsible?

The Eco-Committee

How we will monitor progress:

Eco-Committee meetings

Evaluation:

Eco Committee site walks and audit of litter
